

Our Story

Café Santorini opened its doors in June 1993 at a historic brick building in Old Town Pasadena. Specializing in Mediterranean food, we offer grilled meats, seafood dishes, an array of pastas and family style appetizer platters. The indoor dining room offers a cozy intimate setting, while the outdoor patio offers year-round dining under the stars in a romantic roof-top setting. We have a full bar with an extensive wine list.

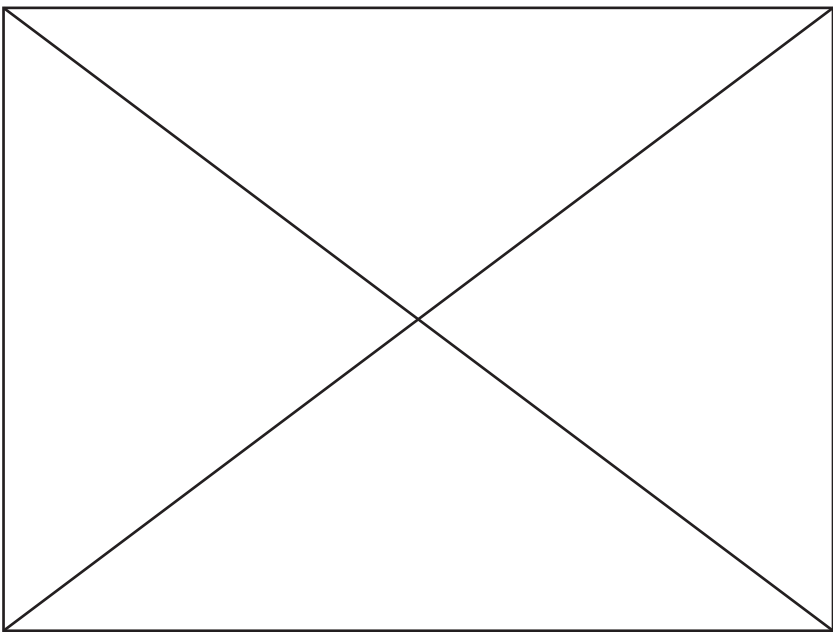

In addition, there is the Rococo Room, a banquet facility that can accomodate up to 150 people. An ideal setting for a corporate function or a personal celebration. Come join us and enjoy our wonderful food and charming ambiance.
